

# NewGen ISS Agent Webinar

NewGen ISS is a key industry initiative aimed at modernizing the BSP.

In preparation for the launch of NewGen ISS in **Austria**, IATA is organizing a **free webinar**, in English, for Agents. Join us to find out more about the NewGen ISS initiatives, including how these will impact your business.

This webinar will cover:

- What is **NewGen ISS**?
- What is **IATA EasyPay**, and how to use it?
- What are the new **accreditation models**?
- How is **risk management** in the BSP changing?
- What is the **Remittance Holding Capacity (RHC)**, and how does it work?

To attend this webinar, please register using this link:
