SSVV

The use of the VCA/SCC logo:

1. Is **obligatory** on all VCA/SCC certificates EN 45012 and on all certificates EN 45013 and diploma's and attests Basic Elements of Safety VCA/SCC, Safety for Supervisory Staff VCA/SCC and Safety for Operational Supervisors VCA/SCC which as for format and content comply with the terms set by the SSVV/CCVD-VCA/USK.
2. Is **allowed** on stationery of a VCA/SCC certified contractor if and when other mentions are in compliance with the scope of certification and not exceed it.
3. Is **permitted** for PR purposes of a VCA/SCC certified contractor, if and when no impression is made that the logo relates to a broader scope than the scope of the issued certificate
4. Is **forbidden** in all other cases, unless with written consent by SSVV/CCVD-VCA/USK.

taking into consideration that

- certificates and diploma's without a VCA/SCC logo are not equivalent, at least not recognizable as equivalent and moreover beyond the scope of the agreement on mutual recognition.
- the VCA/SCC logo is (as yet) the legal property of SSVV and registered as such

N.B.: in connection with the management and maintenance of the VCA/SCC system in each country a payment can be charged -by the national organisation- for the use of the VCA/SCC logo on certificates and diploma's.

No payment can be charged for the use of the logo on stationery and for PR purposes - on the above mentioned conditions.
