### The Austrian Clothing Industry

#### Member Companies, Facts and Figures

The Austrian Clothing Industry Group is part of the Austrian Association of the Textile, Clothing, Shoe, and Leather Industry, which is an independent organisation within the Austrian Economic Chamber.

The Association and the Clothing Industry Group acts on behalf of the interests of its members in contact with national and EU authorities, within the Austrian Economic Chamber, versus unions, up-and down-stream parts of the textile chain and other national and international professional associations

Providing an extensive range of services the Austrian Clothing Industry Group strengthens the competitiveness of its member companies.

Members of the Austrian Clothing Industry Group are also related industries like the bed industry, industrial laundries and dry cleaners, industrial manufacturers of buttons and flags as well as automotive textile companies.
