Commercial Agents

Free Agencies: Find your commercial agent

The online platform for commercial agents: www.commercialagents.at

© .

Online-platform for sales and distribution

commercialagents.at is the largest platform for establishing business relations with more than 1,500 Austrian commercial agents and agencies.

As manufacturer or supplier seeking agents, you will find commercial agent that fits your company.

How to do?

Manufacturers can place an advertisement and commercial agents will be informed by email of your ad before it goes online.

[> Place an Advertisement to find Agents](#)

commercialagents.at is part of the international [IUCAB B2B Plattform](#). The platform supports manufacturers and suppliers from all over the world in finding commercial agents and vice versa.
