

Dear partners,

**SPARK** is proud to organise the first **BETAPITCH international startup competition** in Bosnia and Herzegovina and we are glad to **invite you to be a part** of this amazing initiative powered by betahaus!

On September 7 - 8th, Mostar will be the **regional centre of startup innovation**, with 10 carefully selected startups pitching on the main stage and aiming for the main prize - **a trip to Berlin** to compete at **BETAPITCH Global** and network with the international scene at the Investors Day on November 11th.

This all-day celebration of talents, high-tech, creating corporate partnerships and business innovation will be elevated to an even higher level by **amazing talks** of our respective guests.

BETAPITCH will gather local and regional IT startups, entrepreneurs, accelerators & incubators representatives, investors from all over the region and abroad - **become our BETAPITCH corporate partner** and join the network directly!
