

re: Agents of Change - Tourist guides celebrate Globally

Dear WFTGA Members, Colleagues and Friends,

Attached please find further information regarding the 21st February 2018, International Tourist Guide Day, celebrated Globally.

We encourage all Tourist Guide Associations and members to celebrate this annual day dedicated to our Sector.

Please share the attached letter with your local news agents and press firms and feel free to send us your local news and activities, either by email (news@wftga.org) or on one of our Social Media platforms. (as per below) Many have already share their activities and information with us, and we can honestly say it has been an unprecedented year, with some of our long standing members able to celebrate with an activity for the first time. We are very proud to see this level of participation.

We are aware that some members will be hosting activities later in February and into early March. This is not a problem, and we look forward to receiving your photographs and summary of events for inclusion in our later edition of Guidelines Internation@l.

A reminder that the WFTGA 2019 Convention early bird bookings will open on the 21st February 2018. We look forward to welcoming Delegates and Participants from across the world to Tbilisi, Georgia.

Should you have any further queries, please do not hesitate to contact us. Thanking you for your participation.

Kind Regards,

Alushca Ritchie
