

b.mobile - the perfect opportunity for you

***Businesses need you and your skills!
 This will get you ahead!***

The program “b.mobile - the benefits of skilled labor“ offers you the chance for excellent vocational training: the apprenticeship.

The apprenticeship will enable you...

- ... to learn a recognized profession.
- ... to earn more money upon completion.

Businesses...

- ... especially in these provinces  need employees with matching qualifications.
- ... are looking for people who would like to learn a profession on site.

Your benefits:

- A course in Vienna (about 4 months) that will prepare you for the apprenticeship
- An apprenticeship (usually 3 years) in West or South Austria: in tourism, handicraft or engineering
- Money, the apprenticeship compensation
- An apprentice-coach, a person who will support you when needed

The preparation course:

- German, English, Maths
- Training for a job interview
- 3-5 days internship in businesses
- Your placement in an apprenticeship

Who can participate?

Young adults in need of support, especially young people who have been granted asylum or subsidiary protection.

You should speak German and be interested in apprenticeships located in another province in Austria. You should as well be willing to move to this area for completing the apprenticeship.

Upon interest, please contact your AMS advisor.
