Introduction

The role of Hotel Receptionist is key to every hotel establishment. At the hotel’s reception area guests receive their first impression of the hotel and therefore of their probable hotel experience. This is where the primary communication with the hotel staff is established. The quality, courtesy and promptness of service can make a great difference, positively or negatively, to the guest’s relationship with the hotel and their satisfaction during their stay. This in turn affects the hotel’s reputation and repeat business.

The Hotel Receptionist works mainly in the hotel’s front office. Hotel receptionists need to use a wide range of skills continuously. These may include knowledge of local and general tourism information, good verbal and written English, computer literacy, good manners and conduct and grooming, excellent communication and social skills, problem solving, competence with figures and cash handling, and the application of procedures for reservations, reception, guest services and check out.

The actors script and therefore the detailed modules are developed independently and will be unknown to all experts and competitors. The high-level task that will be performed is outlined further down in the document, but as in real life, we will now know what the actors/guest will ask of questions and what request they will bring.

Description of project and tasks

Front-office

Each set of tasks will have several situations. As an example, at the check-in the competitor will have to check-in multiple guests. Few actors will play different characters for each situation and demonstration. To be able to facilitate more competition time and to make the competition more efficient, the competitors will execute several modules/tasks at the same time and in parallel with other competitors. While some competitors are in the front office for their assignment, other will be in the back office doing other tasks, while being assessed. This also means that the group of experts will be divided into marketing teams. There will always be one CE and DCE at each assessment group to oversee quality of the work by Experts.

Competitors will have time for familiarization with the material given for each task prior to the start of the tasks. In some cases, while each competitor’s assignment takes place in the front office, the other competitors wait at the competitor’s room for its turn.
Instructions to the Competitor

Each Competitor must be dressed appropriately to work at the Hotel Reception.

Nails, short hair (until the chin) or caught, light make up, small earrings, no rings (except wedding ring) and necklaces, clean and tidy.
All the material and equipment needed in the Competition will be provided by the Competition Organizer. Competitors don’t need to bring any other material besides the uniform.

8) Extraordinary situation

Guest: Mr. Leo Williams

The housekeeper calls receptionist and informs that she was asked to clean the room, but when she entered, she found the guest lying on the floor unconscious.

From 22 August – 27 August Leisure trip

Script:
Receptionist: (answers on telephone call)
Maid: (in panic)
It’s Gabriella from housekeeping. Listen, I need your help! ...... I was asked to clean up (say room number), but when I came in, I found the guest lying on the floor unconscious. I called the ambulance already, and they are on their way, but what should I do in the meantime?
Receptionist: (may ask questions like)
**1** Does he have a pulse?
**2** Is he breathing?
Maid: (см. пометку важно))
He was breathing and had pulse few seconds ago, but now I don’t feel it. I know that I should start CPR, but can you remind me this procedure and help me over the phone?
ВАЖНО! В независимости от того, о чем именно в первую очередь спросит респондент, про пульс или про дыхание, ваша задача, сразу уведомить его о пульсе + дыхании и попросить его напомнить вам, как оказать помощь в подобных случаях.
Загвоздка в том, что скорее всего он не объединит эти 2 вопросы в один и будет ждать ответ на первый вопрос, а только потом задаст второй. В результате чего возникнет ненужная пауза. Поэтому, чтобы в нее (пауза) не уг edição, сразу переходим к тексту.
Receptionist: (may give you CPR instructions, like)
**1** Lay him down on the back
**2** Open his air ways **or** Unbutton his collar
**3** Perform 30 chest compressions *(here he/she may add)* push at least 2 inches deep at a rate of at least 10 times per minute  
**4** Perform 2 rescue breaths  
**5** Repeat until ambulance arrives  
**Maid:** *(just follow his instructions and confirm every step by saying)*  
Ok /// Yes /// Done /// I did it /// What next?  
Ресепшанист может сказать вам продолжать эти манипуляции до тех пор, пока не появится доктор. Поэтому, после первого круга прямого массажа + искусственного дыхания у вас в номере якобы появится доктор и вы скажете:  
Doctor is here. I’ll stay in the room just in case he needs something. Thank you for help *(и заканчивает диалог)*

**1** Yes, we were in the room, (секундная пауза) and we were sleeping. That’s why I’m telling you, we did not use your Pay TV.
**2** My son? Hmmm, (как бы задумываясь) honestly saying I didn’t think about that. (секундная пауза) Can you call my room, please?
(vас соединят и трубку якобы возьмет ваш муж) Honey, can you pass the phone to Oscar, please! (секундная пауза, затем продолжаете) Oscar, dear, did you watch movies on TV yesterday evening?)
Если якобы ответил вам ДА, далее продолжаете) How long were you watching? (вы молча слушаете отвечает и почти закидаются от нега на сына) Are you crazy? (секундная пауза) Never do things like that anymore! (секундная пауза) Ok, I’ll talk to you later (закончили разговор с сыном, передали трубку ресепшнисту и далее уже обращаетесь к ресепшнисту) (изобразите извиняющееся лицо) I am sorry, you were right, it was our son. (секундная пауза) I think I need to talk to him (секундная пауза, далее, в процессе беседы информационный счет должен оказаться у ресепшниста на руках, поэтому, перед тем как уйти, скажите) May I take this paper back? Thank you (и бурча себе под нос на сына, вы уходите)

ВАЖНО!
1. Ресепшнист может задавать вам и другие вопросы. Действуйте и отвечайте по ситуации. Главное, что у вас есть суть того, чем может закончиться ваш диалог
2. Если ресепшнист не сообразит, что в номере помимо родителей есть еще и сын, который вполне может смотреть телевизор пока они спят, настаивайте на том, чтобы это начисление убрали из счета)

Receptionist: *(should find a solution)*

Guest: *(deny any option, but pet hotel)*

Если любая альтернатива, кроме избавиться от птицы вообще, передать ее родственникам на хранение или съехать самому предложена, то здесь вам нужно быть внимательным в части ожидания новостей, то есть: вам могут сказать, что поиск альтернативы займет время и надо подождать, например, в комнате или прямо здесь на стойке.

Возможно вам предложат специальный отель для животных, которых в Лондоне в принципе не мало. И если вы, пока отель будут искать, ждете в номере, тогда будьте готовы к тому, что через какое-то время вам позвонят и скажут, мол нашли отель можем передать данные или если хотите забронировать для птицы номер. В этом случае, скажите следующее:

Oh, thank you very much! I’ll come down later to take pet hotel phone number или Oh, thank you very much! I’ll come down later to take their phone number.

И поблагодарив, и распрощавшись, заканчиваете беседу.

Если вам придется ждать на стойке (вас попросят), тогда ждите и реагируйте по ситуации.

ВАЖНО!
Сопровождение будет вестись внутри площадки. Ресепшенист может импровизировать, показывая вам на те или иные места внутри площадки и говорить о том, что это ресторан или лифт, или еще что-нибудь. Ваша задача в этой части сопровождения ему просто подъять. ***ДАЛЕЕ: Когда вы доберетесь до номера, ресепшенист может представить вам вашего персонального дворецкого и сказать, что он ознакомит вас с номером и мол все здесь вам покажет. И в этой части, дворецкий должен быть очень внимательным к тому, что говорит ресепшенист. Когда дворецкого представляет, например, это может звучать так:
Let me introduce you your personal butler, his name is Mark, he will familiarize you with your Penthouse and will be your helper during your stay.

Задача дворецкого после представления подойти и поприветствовать гостья следующими словами:
Butler:
Good morning (afternoon/evening) Your Excellency, welcome to Rinthia London, it's my pleasure to meet you, my name is Mark, I`ll be your personal butler during your stay

И после этих слов слегка отойти в сторонку, дав ресепшенисту возможность красиво распрашиться и покинуть номер.

Если предложит вам сделать это на стойке, до сопровождения в номер, – подпишите. Если предложит вам подписать форму уже в номере, причем в любой удобное для вас время, а после вернуть ее на стойку через дворецкого, – так и сделайте. В этом случае, даже можете попросить ресепшениста отдать регистрационную форму на руки дворецкому.

ВАЖНО! Если по окончанию телефонного разговора с помощником, ресепшенист не сообразит, что это express check in для VIP гостя, тогда вы прописываетесь в отель как обычные гости, на стойке!

Либо наоборот, свои дополнительные вопросы он может задать в процессе озвучивания вашей основной темы.

В независимости от расклада беседы, ваша задача реагировать на вопросы по мере их поступления.

7) Check out

Booker and assistant: Mr. Lukasz Adamski

Guest: His Excellency the Ambassador of Republic of Poland Mr. Kacper Bartosh

The assistant is calling to inform that His Excellency leaving today and asking if receptionist can prepare everything for check out

From 24 August – 26 August Business trip

Script:

**Receptionist:** *(Greets the caller)*

**Assistant:**

Hello, it’s Lukasz Adamski, Embassy of Poland, I hope you remember me.

**Receptionist:** *(will probably say yes, I remember)*

**Assistant:**

I’m calling to inform you that His Excellency Ambassador Bartosh would like to leave the hotel in maybe next 30 or 40 minutes. Could you please prepare everything for his check out? His bill will be paid by the Embassy.

И вот здесь ситуация может развернуться по-разному, а именно: ресепшенист может сказать вам, мол да, без проблем, все приготовлено.

Тогда просто поблагодарите его и скажите, что увидитесь с ним через пол часа. Ok, thank you, see you in half an hour.

Он так же может предложить вам подойти к стойке и забрать информационный счет для предварительного ознакомления. Если события развернутся таким образом, тогда скажите.

Unfortunately, I have no time to come. I’ll better come together with Ambassador when he will be leaving.

После этих слов, ресепшенист может либо согласиться и сказать, что будет вас ждать, либо предложить вам альтернативу и скажет, что пошлет предварительный счет через коллегу прямо в номер и что посол может с ним заранее ознакомиться. В этом случае отреагируйте так:

Ok, send your papers to the room for checking and then we’ll come down and pay.

При любых вышеизложенных вариантах вы придете к одному результату, а именно: вы и посол подойдете к стойке и будете выписываться как обычные гости. И, будучи уже на стойке, начните свой диалог следующим образом.

Ok, we checked the bill and ready to settle it.

**Receptionist:** *(may recognize both guests and greet them ** or ** may once again clarify your name and room number)*

**Assistant + Ambassador:**

В этом случае, если ресепшенист не сообразит, что перед ним стоит посол с помощником, тогда помощник назовет имя и номер комнаты посла Ambassador Kacper Bartosh

**Receptionist:** *(may ask if you used a mini bar)*

**Ambassador:** No, I did not use a mini bar

**Receptionist:** *(may ask questions like)*

**1** How was your stay?

**2** Are you planning to visit us again?

**Ambassador:** *(говорите степеньно)*
**1** You have a nice place here. I liked everything. Thank you very much
**2** Yes I have such plans, but next time I'll be leaving in my residence?
** Receptionist: (may ask if need a car to the airport)**
** Assistant: No thank you, we have a car**
** Receptionist: (may ask if need help with the luggage)**
** Assistant: Butler brought it down already, thank you.**
** Receptionist: (may thank you for choosing Rinthia and wish you safe trip back home)**
** Ambassador: Thank you, goodbye**

Ну и напоследок, давайте рассмотрим другой вариант развития ситуации. Для этого вернемся к началу, когда помощник звонит на ресепшн и информирует его о том, что посол выезжает через 30-40 минут. Ваше начало не меняется, а вот ресепшанист может предложить вам следующее:

** Receptionist: (may offer to make a next destination reservation)**
** Assistant: (вежливо) Express check out?**
** Receptionist: (may explain that in this case Ambassador does not need to come to reception to settle the bill, that he can check it via special hotel application using TV set, that his personal Butler will help him with application. As soon as Ambassador approve the bill, receptionist will see the special confirmation sign in his PMS and close it. After closing he will send it directly to the Embassy + may say that his personal butler will take care about his luggage. Beside he/she may offer to make a next destination reservation)**

<tr>
<td>Some person delivered to reception desk a folder with important documents for His Highness Crown Prince Fumihito. A receptionist contacted the assistant of His Highness and gave the folder personally to him.</td>
</tr>
</tbody>
</table>
Since His Highness was sleeping, his assistant decided not to enter the room and put the folder under the door. When His Highness woke up, the assistant asked him whether he had seen the folder with documents under the door or not. But he had no idea what folder he was talking about. Now assistant needs to find this folder somehow.

From 23 August – 27 August  Business trip

Script:

**Receptionist: (greet the Assistant)**

**Assistant: (almost crying)**

Please, help me! I am afraid that I have mixed up the rooms and put the folder with important documents under the wrong door. Those documents are very important and contain confidential information. If I don’t find them, His Highness will get angry or just kill me. Please help me!

**Receptionist: (may ask you questions like)**

**1** Do you remember what floor you were on?

**2** Can you describe your folder?

**Assistant:**

**1** Penthouse floor

**2** It’s a sealed file of grey color. A4 size или A4 format

Возможно спросит из какого материала сделана папка, скажите

It’s plastic file или It’s made of plastic

Возможно спросит помните ли вы как выглядела дверь самого номера, был ли указано на двери что вроде номера комнаты или надписи и т.д.

Скажите, что все двери оказались вам одинаковыми и вы не обратили внимание на те или иные надписи на двери

**Receptionist: (should explain what actions he is going to take)**

И вот здесь, сразу после того, как ресепшанист закончит озвучивать какие действия он собирается предпринять, у вас якобы зазвонил телефон (предположим, что он у вас в режиме вибратора)

Поднимите трубку и как будто разговариваете с персонажем на другом конце провода. Используйте короткие фразы, например.

Yes, (пауза) yes, (пауза, сделайте взволнованный вид) Yes, clear (и повесите трубку как будто закончили разговор. Затем сразу обратитесь к ресепшанисту)

Look, I really have to run now. Can you call me when you find it?

Недумаю, что вам откажут. Сразу после одобрения скажите

Thank you so much! Take my business card.

(вручите ресепшанству свою визитку, в которой будет ваше имя телефон и еще раз поблагодарите его)

Thank you once again! I’ll be waiting for your call
