Work group for civil safety

The work group is a cross sector association within the Austrian Federal Economic Chamber (WKÖ) in Vienna. The work group represents as well as promotes the interests of Austrian companies in the civil sector for weapons and munition.

The work group was founded of the association for building material-, iron-, timber-, pyrotechnic- and arms trade as well as by the association for metal technicians (gunsmiths) in 2017.

Who are the members?

Supporting organisations

retail traders with more than 3 branches

hunters, sport shooters and collectors

retail traders and gunsmiths

wholesale traders

supporting members

industrial firms

associations

Austrian hunting association

Purposes of the work group

- » Improving the image for private possession of weapons
- » Conveying and strengthening the value of weapons in the civil society
- » Maintaining international contacts and promoting the exchange of information
- » Partner of authorities for more safety
- » Enhanced representation of interests
- » Guaranteeing quality assurance in arms trade

Actual work program

- » New Austrian gun control law since 2019: legal consultation and legal aid office
- » Events in cooperation with the Austrian ministry of internal affairs
- » Government arbitrariness on application for an arms pass
- » Common Military List of the European Union: problem hunting weapons, especially from Ferlach.
- » Qualifying examination: adaption of the national qualifications framework (NQR)
- » REACH regulation: ban on the use of lead in shots and ammunition
- » A new survey being planned in 2020
